AT HOME EAGLE EXPERIMENT

Can you put a wooden skewer through a balloon without popping it?

With a little scientific knowledge about polymers, you'll be able to perform a seemingly impossible task—pierce a balloon with a wooden skewer without popping it.

[Click here for Experiment](#)

Late Start Thursday

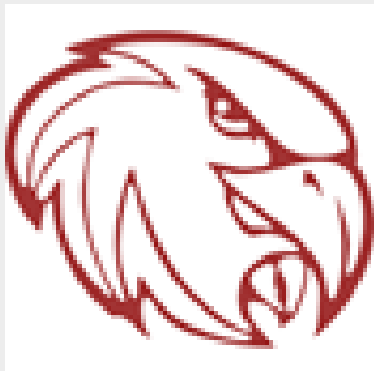

Need Childcare?

School doors open at 8AM
All students must check in at
the main entrance.

Time: 8:00-8:50am

The purpose of the School Advisory Committee(SAC) is to foster communication between the school and local community. The goal is to facilitate problem solving and recommend action to appropriate officials. SAC may make recommendations and advise the principal on all matters within the jurisdiction of the SAC: School Policies, Instructional Programs, Educational Resources and allocation of resources within the school. Other areas include student conduct and discipline, student services such as counseling and extra curricular activities. –

~~Let your voice be heard!

School Advisory Committee

Monthly SAC meetings at 15:00

Third Thursday meeting in the school library!

The SAC board is an elected educational advisory committee composed of an equal number of parents of students enrolled and professional school employees. Parents are also welcome to attend meetings as non voting attendees.

Chairperson: Tom Gillotti

Vice-Chairperson: Jason Calvert

Secretary: Kerri Larimer

Altruistic Eagles

We will be making care packages to send to a unit* deployed over New Years and it would be great if you could donate items to include! There will be a collection box in the front office.

We would appreciate donations of:

- snacks/candy (on sale now at the commissary)
- Small games (cards, crossword books, word searches, sudoku, etc)

Accepting donations until October 20, 2023

*The unit has members of our VES family

Cooking safety starts with YOU.

Pay attention to fire prevention

Come join the KMC Fire Department for some family friendly events as we observe fire prevention week. All are welcome to join and learn how to keep you and your families safe.
