

16 November 2023

Memorandum for Vogelweh School Advisory Committee Meeting Minutes Q2 2023

From Tom Gillotti, SAC Chairperson

Orders of business from the open meeting held by the Vogelweh SAC on 16 November 2023:

Previous issues:

- Parent concern for lunch and recess: not enough time to eat, long lunch lines, and transition to recess reducing recess time
- Parent question regarding school closure for adverse weather: who decides?
- Parent recommendation: can the school make a video to explain the 21C school environment and what makes it different or unique?
- Parent concern for traffic flow during drop-off and pickup

New issues:

- Committee needs to identify replacement for Secretary (Kerri Larimer)
- Email list for updates to parents on SAC matters
- SAC shared calendar for meeting notification
- SAC would like to have a presence on Facebook to reach parents
- Handicap parking blockage during student drop-off and pickup
- Bike rack arrangement and clutter near front entrance to the school
- No pathway from the parking lot to the front entrance; parents and students walking across the grass will be a safety concern with inclement weather

Next meeting: 21 March 2023 (Q3)

Please contact sac.vogelweh@gmail.com with any questions or concerns.

Tom Gillotti
Chairperson, Vogelweh SAC
